1) In continuation of my previous representation requesting for the grant of six months' leave after the date of superannuation, I beg to state the following for consideration of Government.

2) I learn that orders re-appointing Sri. B.S. Narasinga Rao as the Special Chief Engineer and Secretary to Government, Public Works Department are likely to issue shortly and that he is reporting himself for duty immeidately thereafter, when I will have no place. I therefore request that I may be granted leave from the date of his report to the date of my superannuation in addition to the six months' leave from the date of superannuation I have already asked for in my previous representation. I request that this concession may be extended to me as a special case in view of the special circumstances under which I am handing over charge and also as otherwise my pension would be affected.
